## The LEAD Scholars Creed

The community of LEAD Scholars at the University of Central Florida is dedicated to personal development and academic excellence.

Choosing to join the community obligates each member to a code of civilized behavior. As a LEAD Scholar I will ...

- Uphold the policies found in the UCF Golden Rule;
- Practice personal and academic integrity;
- Respect the dignity of all persons;
- Respect the rights and opinions of others;
- Encourage my fellow LEAD Scholars to uphold their responsibilities to the program and to UCF;
- Demonstrate concern for others, their feelings, and their need for assistance to support their academic progress and personal development.

Loyalty to these ideals requires each student to refrain from and discourage behaviors which threaten the community of LEAD Scholars as stated above.

---

I agree to uphold the values reflected in the LEAD Scholars Creed at UCF and will conduct myself as an exemplary representative of the LEAD Scholars Academy.
