LEAD Scholars Program *Parents Email List Serv and Website*

We would like to invite you to become a part of the LEAD Scholars Program parents email list serv and website. This list serv and website is for parents and guardians of current UCF LEAD Scholars Program students. This is an opportunity for you to communicate your ideas and share the accomplishments of your student!

If you would like to join, please subscribe to the list serv by sending an email to:

LEADParents-subscribe@yahoogroups.com. (Your outgoing message will be blank).

You will then be given an immediate confirmation email to verify that you would like to be a member. You will then be asked to create a Yahoo! user name and password (if you are not already a Yahoo! user). We will then approve your membership and you may start posting messages to the list serv and website!

The website address is <http://groups.yahoo.com/group/LEADParents/> and the email address to post messages to all parents who are members is LEADParents@yahoogroups.com. **Only members may send e-mail messages to the group and view the website.**

Please e-mail Stacey Lazenby, Assistant Director of the LEAD Scholars Program at Slazenby@mail.ucf.edu if you have any questions.
