

**Assistantship Program
Mid Semester Evaluation
LEAD Scholars Program**

To be completed by the Assistantship supervisor

Student Name: _____ Date: _____

Faculty/Staff Name & Department: _____

The purpose of this form is to assess the success of the assistantship at this mid-term point. Comments and suggestions made on this form may be shared with the student if they will improve the assistantship for this semester.

1. Rank your experience with your LEAD Scholar Assistant at this point in the semester:

(Poor) 1 2 3 4 5 (Excellent)

If you ranked your experience as a 3 or lower, please list any ideas for improvement you have. What can you or your assistant do differently to improve the experience for the rest of the semester?

2. Is the student meeting the expectations you set at the beginning of the semester? If not, how and why?

3. To what projects/publications has the student contributed? What types of work is the student completing?

4. What growth and development have you seen in this student and/or in his or her skills?

5. Approximately how many hours per week are you spending with the student in one-on-one supervision or mentoring? _____

6. Do you feel you have established a positive mentoring relationship with your LEAD Assistant? Why or why not? _____
